

LYRIC SHEET // **ALL I CAN DO IS PRAISE**

CROSSINGS VENUE WORSHIP

Stephen Collins, Josh Edington

VERSE 1

Deep in the night
When I lie awake
All of the fear and shame rush in
Crashing like waves

VERSE 2

Deep in the night
I'll sing out to You
Your Spirit is speaking out to me
And carries me through

CHORUS

All I can do is praise
Call out to You in faith
All I can do is praise
Praise You now

VERSE 3

You'll never leave me
Here on my own
Your mercies surround my anxious
thoughts
Reviving my soul

VERSE 4

No chains can hold me
That worship won't break
Healing and power that I need
Is found in Your Name

CHORUS

All I can do is praise
Call out to You in faith
All I can do is praise
Praise You now

CHORUS

All I can do is praise
Call out to You in faith
All I can do is praise
Praise You now

BRIDGE

Turn my darkest night into brighter days
As I, praise You now
All depression ends when You draw me near
And I, praise You now
All anxiety turns to perfect peace
As I, praise You now
All addiction bows in the light of You
And I, praise You now

CHORUS

All I can do is praise
Call out to You in faith
All I can do is praise
Praise You now

CHORUS

All I can do is praise
Call out to You in faith
All I can do is praise
Praise You now
