

## Archaeology and the Bible

### Lesson 6 – Is the Bible Historically Reliable?

- I. Part 2: The New Testament
  
- II. Augustus, Herod, and Pontius Pilate
  
  
  
  
  
  
  
  
  
  
- III. Jesus and the Early Christians

#### For Further Discussion:

1. The Bible claims to be happening in real history among real people. Why is this important to your faith?
2. Summarize how much we know about Jesus and the early Christians from sources outside the Bible. Does this picture match the Biblical picture of the church?
