EPHESIANS Part 1

Predestination

For Further Discussion:

1. No matter what one believes about predestination, all agree that, in salvation, God makes the first move and brings grace sufficient for us. What does that fact tell you about God? What does it say about how God views you?
2. The essence of the doctrine of election is that God chose us, redeemed us, and sealed us for eternity. When we accept this, what difference does it make in your daily life? How about your attitude toward trials?
3. In Ephesus, Christian lives changed so much it affected the economy! Could that happen today? How?
