

## Session 6: Political Involvement

### I. REVIEW – Crime, Justice and Ethnic Tension

Some Biblical principles to guide us as we actively engage the injustice in our society:

“God doesn’t play favorites and evil is not confined to any skin color, ethnicity or nationality.”

“The Biblical solution to economic, racial and ethnic divisions is the unifying power of the love of Jesus Christ. When we follow Christ, we must shed our old self with all its prejudices, hates, and fears.”

“Don’t underestimate the power of confession and humility for ethnic and racial healing. The Church must lead the way.”
