

THE PROPHETS

Lesson 4 - Idolatry

- I. The First Commandment of the Covenant
- II. The gods of Canaan

- III. Hosea and Israel's Idolatry

For Further Discussion:

1. We no longer ask carved pieces of wood for life guidance, yet we rely on modern idols nonetheless. What are some of the idols we consult for answers to the problems in our lives?
2. Hosea's life became his message. Do you think God wants to use our lives in a similar way?
3. What message does God want us to live out? Where is your life demonstrating this?
