If I can trust that you are God
Then I can trust you with my heart
The great I Am

How sweet it is to walk so closely

You are holy, Jesus, friend and king
So holy, blood atoned for every broken heart,
Every wound, and scar

This is the place where I respond
This is the place I lay my heart
What grace what joy was set before
You tore the veil fully restored

So holy, blood atoned for every broken heart,
Every wound, and scar

Chorus 2

So rich in mercy, every breath, a gift
Of mercy, By your grace salvation made its mark,
Through Your wounds and scars

Bridge 1a

You picked me up
Set me in the highest heaven
Now I'm in company with Jesus

You took my shame
Bore the weight upon your shoulders
Now I'm in company with Jesus

Bridge 1b

You called me out
Into life with you forever
Now I'm in company with Jesus

I'm not the same
Fully changed from where I started
Now I'm in company with Jesus
