I am not perfect but He is  
No greater love like this exists  
Through His great devotion  
He set a plan in motion  
Because of His sacrifice we live

I am not perfect but He is  
Blameless He walked where we live  
The King of Kings forever  
Became a humble servant  
Because of His sacrifice we live

He is, our present Hope and Savior  
The One, who rolled the stone away  
He is, life eternal  
Hallelujah, Christ He is

We are not perfect but He is  
He died on the Cross while innocent  
As the nails broke through Him  
He said "Please forgive them"  
Because of His sacrifice we live

He is, our present Hope and Savior  
The One, who rolled the stone away  
He is, life eternal  
Hallelujah, Christ He is

He is, life eternal

Death couldn't hold Him in the end  
The tomb forever empty  
Oh God, You are worthy

He is, our present Hope and Savior
