

LYRIC SHEET // **YOUR PRESENCE**

CROSSINGS VENUE WORSHIP

Allyson Edison, Ben Edison, Stephen Collins

VERSE 1

I need Your help God
To seek You first
Give You all the praise
Though it's less than You deserve
Help me to focus
Distracted as I am
Put my eyes to Your Word
And help me understand

CHORUS

You are the One
You are the center of my universe
You call my name
Your presence, Lord, is breathing
life in me

TAG

You're breathing life in me

VERSE 2

It's not always easy
To follow Your path
When I try my own
I have to take a few steps back
Speak to me Jesus
Drown out my fears
Let me hear Your voice
Make it loud and clear
Make it clear

CHORUS

You are the One
You are the center of my universe
You call my name
Your presence, Lord, is breathing
life in me

TAG

Is breathing life in me
You're breathing life in me
You're breathing life in me

BRIDGE

I need Your presence
I need Your peace
Come let it wash over
And run through me
I need Your presence
To set me free
I'm seeking the Face of
The Risen King

BRIDGE

I need Your presence
I need Your peace
Come let it wash over
And run through me
All I need Your presence
To set me free
I'm seeking the Face of
The Risen King, oh

You are the One
You are the center of my universe

Your presence, Lord, is breathing
life in me
