

Mountain of the Lord (CVW) [Lyrics, 118 bpm, 4/4]

[Default Arrangement]

Verse 1

There is a peace like a river
Flowing deep in my soul
I may not understand it but
I know I am not alone

There is a love that is stronger
Than whatever hell may throw
I know my God is for me
And He'll never let me go

Pre-Chorus 1

Oh...oh,oh,oh
I have everything I need and I sing
Oh my soul
You know where your help comes from

Chorus 1

I'm looking up, up to the mountain of the Lord
Always enough, there is no other God
I'm running back to You

Verse 2

A sure and steady anchor
That's what his grace is like
Just like the eastern sunrise
He is my guiding light
