Come as you are
Come as you are
To the God who sees you
To the God who knows you

Come as you are
Come as you are
With a deep repentance
Find forgiveness
Come as you are

The Son of God has made the way
Blameless life, poured out for us
First to rise up from the grave
He is forever, He is forever
The only Way

Jesus my King
All I can bring
Is a humble offering
My life at his feet
Jesus my King

Chorus

The Son of God has made the way
Blameless life, poured out for us
First to rise up from the grave
He is forever, He is forever
The only Way

Bridge

You found me
On my knees again
From death to life I stand
Hallelu, hallelujah **x4**

The Son of God has made the way
Blameless life, poured out for us
First to rise up from the grave
He is forever, He is forever

The Son of God has made the way
Blameless life, poured out for us
