The Ancient of Days and the Judgment

Discussion:

1. These visions likely puzzled the people of Daniel's time. Now that we can look back on history, what is their significance for us? Do you think these visions were mainly for *us*?
2. Do these prophecies frighten you or embolden you in your faith?
3. What do you think about when you consider the final judgment? Do you think it's fair for God to judge the world?
