Daniel Chapter 8: A Great Persecution

Persia Falls to Alexander the Great

Antiochus Epiphanes “God made manifest”

Discussion:

1. Would you rather be forewarned about hard times coming or would you rather not know?
2. Looking back, has God used situations that tried to weaken you to strengthen you instead?
3. Hannukah is a remembrance of what God did for the Jews under oppression. Do you have “memorials” to recall God’s faithfulness in your life?
