

Politics and Prophecy: The Book of Daniel

Part 2: Nebuchadnezzar's Vision

Who Knows the Future?

Caught Up in Events Beyond Our Control

Discussion:

1. If you could know what will happen 20 years from today, would you want to know? Why or why not?
2. Daniel and his friends were caught up in events beyond their control. Have you ever felt that way? What did Daniel do? What did you do?
3. Should we pray for our nation even with its flaws? Why or why not?
