

Learning and Cultural Engagement Trip

San Salvador, El Salvador | May 23-29, 2026 | Cost: \$2400

Project Overview:

Crossings is leading a team in coordination with our global missions partner, ENLACE to serve alongside a local church and community in the Central Region of El Salvador.

Our project assignment has not yet been finalized; however, previous projects have included assisting with a medical clinic expansion, a medical clinic foundation, building a playground, and building a section of road in the rural mountain regions of El Salvador.

Project Goal:

- Strengthen relational ties between the church, community associations, and local school and leaders in the area.
- Strengthen the organizational capacity of the church and local community associations and committees.
- Provide the local church with an effective opportunity to connect with the community it serves, as well as with local entities.
