

GLOBAL MISSION TRIP

ENLACE | SAN SALVADOR, EL SALVADOR | MAY 23-29, 2026

PROJECT OVERVIEW:

Crossings is leading a team in coordination with our global missions partner, ENLACE to serve alongside a local church and community in the Central Region of El Salvador.

This year, our project will focus on the Renovation of a Public Park and Reforestation.

This new initiative continues our history of work, which previously included assisting with a medical clinic expansion and foundation, building a playground, and constructing a section of road in the rural mountain regions of El Salvador. We are eager to begin this new phase of our efforts.

PROJECT GOAL:

- Strengthen relational ties between the church, community associations, and local school and leaders in the area.
- Strengthen the organizational capacity of the church and local community associations and committees.
- Provide the local church with an effective opportunity to connect with the community it serves, as well as with local entities.

TRIP COST: \$2400

Space for this team is limited. Applicants must be 18+ years old
