The Death of Peter

Discussion:

1. Jesus chose Peter, not for who he *was*, but for who he would *become*. The only thing Peter brought was a willingness to follow Jesus. Could the same be said of you?
2. Most of us are a “before and after” story, centered on our encounter with Christ. Share your before and after story.
3. 1 & 2 Peter are lessons from the end of a life of following Christ. Who, in your life, has transmitted valuable faith lessons to you?
