

THE PROPHETS

Lesson 7 – The Day of the Lord

I. What is the Day of the Lord?

II. A Day of Mercy

III. A Day of Judgment

For Further Discussion:

1. What lesson do you take from the story of the destruction of Israel by Assyria and the salvation of Jerusalem and its King, Hezekiah?
2. We usually feel good hearing about the mercy of the Lord but sometimes troubled by the vengeance of the Lord. Why do you think that is? How might someone who is a victim of horrendous evil feel about it?
3. How does the Day of the Lord “set things right” in the world?
