

## COMPLETED PROJECTS

Thanks to generous donations, Voice of Hope projects have moved forward and many are already completed:

### COMMUNITY CENTER FORUM UPDATES

*Services resumed August 10, 2025*

The worship service at Crossings Community Center started on October 2, 2022. Upgrades began in spring 2025 to update the existing space to provide for the permanent needs of Sunday worship. Currently averaging over 250 people in attendance each Sunday.

### JESS DUNN

*Completed July 2025*

We worked with our partners at the OK Department of Correction to understand and then provide support for their greatest needs at the Jess Dunn Chapel. We were able to provide funding in July so Jess Dunn can replace the roof, replace gutters, paint the exterior, repair broken windows, and address media equipment needs for worship services.

### CROSSINGS EDMOND EXPANSION

*Opened September 15, 2024*

Now utilizing the additional adult classrooms and expanded Crossings Kids space. Currently averaging over 1200 people in attendance each Sunday.

### CROSSINGS MAYFAIR

*First service held May 26, 2024*

Currently averaging over 400 people in attendance each Sunday

PROJECT UPDATES AS THEY BECOME AVAILABLE.**

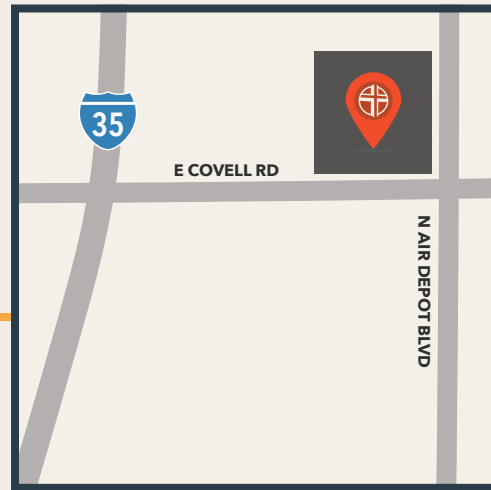

# VOICE OF HOPE

## CONTINUING A LEGACY OF FAITH & GENEROSITY

RESPONDING TO THE OPPORTUNITY GOD HAS PLACED BEFORE US IN  
EAST EDMOND AND PREPARING FOR OPPORTUNITIES TO SHARE JESUS  
WITH THE COMMUNITIES WE HOPE TO BUILD IN THE FUTURE

# CROSSINGS EAST EDMOND

11 acres of land was purchased at Covell and Air Depot using funds generously donated during the 2019 Go capital campaign. Designs have been drawn up, and we are now eager to begin the construction phase.

As the city of Edmond grows to the East, we know that the Air Depot / Covell intersection will be near the heart of exponential growth in population.

We prayerfully hope Crossings East Edmond will be an anchor in the growing East Edmond community for 100+ years, helping people find and follow Jesus in this area for generations to come.

In order to meet the needs of people moving into the area, serve the new public schools planned nearby, and be ready for the large volume of growth, we increased the scope of the building from the initial plans.

The 80,000+ square foot building will have ample room for worship, kids and students ministries, Sunday School, Wednesday Night classes, support and recovery groups, and other core ministry offerings from opening day.

Crossings East Edmond will offer the same church experience available at all of our current locations, including live worship on Sunday mornings and teaching streamed from Crossings OKC. Our goal is to create another place where people can grow in their faith and build lasting relationships.

## READY TO BE A VOICE OF HOPE?

Due to expanded building plans and rising construction costs, we are prayerfully seeking an additional \$20 million to complete the East Edmond location and position us for future opportunities. This request is above and beyond previous *Voice of Hope* commitments.

Be a voice of hope to our current and future communities by contributing a one-time gift or with a monthly commitment from October 2025 through December 2026. Scan the QR code or visit [crossings.church/hope](https://crossings.church/hope) to get involved.
